

Research Participants Needed

Help us better understand autism service access challenges and opportunities for your community

If you are...

- A **primary caregiver** of an **Indigenous child** (or children) **diagnosed with autism** who is 17 years of age or younger; and
 - A resident of **Ontario**
- ...We want to hear from you!

What is involved?

- **Brief background questionnaire** (approx. 5-10 minutes)
- **Interview by Zoom** (online), **phone**, OR **in person** (approx. 60-90 mins)
- *Optional* **Review of interview transcript** (approx. 60 mins)
- Total time commitment: approx. 1- 2 hours

This study has been funded by Social Sciences and Humanities Research Council and has been reviewed by and received ethics clearance through the Wilfrid Laurier University Research Ethics Board (REB # 8985)

Compensation

All participants will receive a \$100 gift certificate of their choice or cash e-transfer.
