

# Research Participants Needed

Help us better understand autism service access challenges and opportunities for your community

## If you are...

- A **primary caregiver** of a **child** (or children) **diagnosed with autism** who is 17 years of age or younger;
- A **newcomer** to Canada (having arrived in the past 5 years or less); and
- A resident of **Ontario**

...We want to hear from you!

## What is involved?

- **Brief background questionnaire** (approx. 5-10 minutes)
- **Interview\* by Zoom** (online), **phone**, OR **in person** (approx. 60-90 mins)
- **\*Optional\* Review of interview transcript** (approx. 60 mins)
- Total time commitment: approx. 1- 2 hours

\*Interviews can take place in your language of preference.

## Compensation

All participants will receive a \$100 gift certificate of their choice or cash e-transfer.
